

RMRL/ SheLeads Enrollment Notice for 2026–2027

Applications are now available online. Although you may submit an application at any time, applications will not be reviewed until August.

Please note that **submitting an application does not guarantee acceptance into the program.**

Applications will be reviewed and selected prior to orientation. Only students who are accepted will move forward to the orientation stage.

An application is available **online** and as a **downloadable form**. The online version will collect only the minimal required contact and student information.

All parents/guardians of accepted students will be **required to attend an orientation**. During orientation, we will provide additional participation documents and release forms that must be completed before a student can officially join the program.

This year, a \$20.00 application processing fee will be required for all new and reapplying applicants. Applicants who are accepted into the program will pay this fee at orientation.

We will notify you soon with the orientation schedule and location.
